Home study is an integral component of the total life experience of the student. Motivation for home study lies in the cooperative efforts of home and school in support of the learner. Students should set aside a block of time daily outside of school hours, for home study. During this time, students should review and practice skills learned in school and complete assigned work using their homework planner. The amount of homework will vary from day to day and subject to subjects. We offer HOMEWORK CLUB, where students can be assisted by the Middle School Teachers.

Thank you for your support,  
Mrs. Smith, Ms. Compall, Ms. Diedrick, & Mrs. Amici
